## why sponsor?

this yoga festival is a celebration of yoga with live kirtans, morning meditations, satsangs etc. We want to promote health, joy, happiness and culture through this festival.

the aim is to make Scionzier the European capital of yoga in these 3 days

there are different ways to support and get involved with the Sanskriti Yoga Festival, below you can see all the different options and their respective benefits.

## main sponsor

the main sponsors become one with the festival with visibility everywhere. the package includes a banner in the homepage of the yoga festival website, exclusive roll up on the main stage, visibility on all our social media pages, four free entry passes for all three days, etc

## sponsors

sponsors have a variety of benefits throughout the festival. the package includes logo on the website, newsletters, stands at the festival, mention on our social media pages and two free entry passes for all three days.
